

China Hi-Tech Fair 2022 International Pavilion

November 16-20, 2022

Shenzhen Convention & Exhibition Center, Shenzhen, China

Host: China Hi-Tech Fair Organizing Committee

Organizer: China Hi-Tech Transfer Center (Shenzhen Convention & Exhibition Center Management Co., Ltd.)

Overview

Debut in 1999, China Hi-Tech Fair (CHTF) is the leading and most influential tech event in China. It is a prime occasion for industry leaders and entrepreneurs to discover the potential of innovative technologies that will drive the future of the tech industry in China. It serves as a gateway for China's opening up and offers a global platform for technological and economic exchanges and collaborations.

International Pavilion at CHTF 2022

POWER YOUR BUSINESS IN CHINA

The International Pavilion is designed to display the best products and services presented by small and medium sized businesses from all over the world. It also serves as a worldwide showcase for tech companies, R&D centers, investment promotion agencies, government organizations, industry associations, chambers of commerce, and economic development organizations.

We warmly welcome international partners to organize their country pavilion or city pavilion in CHTF 2022.

Participants at CHTF (including but not limited to)
